

PROPOSITION NO. 3

Layton City Council approved an amendment to the General Plan allowing for adoption of a “Village Center Plan” code, which will provide for a mix of uses, including single-family and multi-family housing units, civic space, retail, offices, schools, parks and trails, all within a walkable area. The plan applies to 140 acres of private property located in the west part of Layton City. The City Council action will become effective if approved by the voters.
